### *Master Class Dates, 2012*

A Master Class is made up of a group of professionals devoting 2 hours to a specific-purpose workshop with a topic specialist. Master Classes are valuable platforms for developing unique, specific skills in a confidential, relaxed environment.

At the Voice & Word Studio in Carnegie, Sandra Baigel runs small group Master Classes of up to 6 people at a time. Participants can be from the same company, but are most likely to attend as individuals from business, industry and the professions.

Topic-driven Master Classes allow you to:

- Deepen your understanding and application of the central subject matter
- Apply and test techniques
- Hear of other's experiences and challenges in the particular field
- Learn experientially and via discussion
